The Rooster Crows

New Beginnings by Jim Heath

When they completed their presentation, the Secretariat and all others attending were invited to ask questions and give suggestions. After accepting all the input, the area leaders then proceeded to set their plans into action. All those attending seemed to like the approach and wished to try it again next year. It has been suggested that a planning meeting be held in October or November to allow the next years plans to be in place by the start of the year.

How can you be a part of this activity? You may also attend the next planning meeting or any Secretariat meeting which are announced by email and on the web. You can bring your ideas and insights to share. The Secretariat can only improve in the areas they need to improve if you let them know how you feel. You don't have to wait till the

next meeting; you could talk now to the Secretariat member in charge of the area of your interest. The sooner they hear your ideas the sooner they can start working on them. It is impossible for any one individual to think of every possible answer to making us better. We need a team effort. We need your help, even if it is only one small thing. Many small ideas and small suggestions could help grow into a much more successful Cursillo Movement in this diocese. This would be far better than a lot of people standing around and complaining, while not helping to bring about change. This is your Cursillo, not just the Secretariat's. The Secretariat needs your help.

Have you ever thought about getting elected to the Secretariat? If we don't have other Cursillistas

step up, the same individuals keep filling the vacancies. Fatigue, burn out and loss of inspiration sets in, but they stay on rather than have no one in that area. How much can you expect, if you are not willing to help.

While we are talking about stepping up, we are looking for someone who is willing to be our Lay Director, starting next January. I am not allowed to continue as I have served the two terms National permits. A nominee for Lay Director must have served at least one year on a Secretariat to be eligible to run. The year's experience does not need to have been in our diocese.

May the Holy Spirit inspire many to step up to fill the needs of our organization?

Happy Easter!

The Secretariat followed a newly suggested leadership approach when they met in January. They called it a "Planning Meeting" and the purpose was for each area leader to lay out to the Secretariat and the other Cursillistas attending the meeting, what they planned to do in their area of responsibility during 2010.
